

I T S e c u r i t y P o l i c y

Version: v1.4 Effective: 2025-02-01 Classification: Confidential

Chapter 1: Password Policy

Passwords must be at least 12 characters and contain uppercase, lowercase, digits, and symbols. Passwords expire every 90 days. Multi-factor authentication is mandatory for all production systems.

Chapter 2: Network Access

Remote access requires VPN with MFA. VPN sessions timeout after 8 hours of inactivity. Personal devices must be enrolled in the device management system before accessing internal resources.

Chapter 3: Incident Reporting

Security incidents must be reported to the security team within 1 hour of discovery. The security hotline is available 24/7 at security@example.com.
